

DCC1417 RWK-E

REVISED

MEDICAL TRIBUNAL OF NEW SOUTH WALES

DEPUTY CHAIRPERSON: ACTING JUDGE MCGUIRE

FRIDAY 28 APRIL 2006

**IN RE DR RAGHUBIR SINGH AND THE MEDICAL PRACTICE ACT****JUDGMENT**

DEPUTY CHAIRPERSON: I refer to the reasons for determination handed down on 13 February 2006.

It has been pointed out to me that an agreed order that should have been included in the Tribunal's order, was as follows:

"The New South Wales Medical Board is the appropriate body with respect to conditions imposed under these orders.

I will deal with this matter under the Slip Rule and will insert under order (4) an additional order (x) as follows:

"(x) The New South Wales Medical Board is the appropriate review body with respect to conditions imposed under these orders."

I further note, that by way of a typographical error there are two conditions numbered (4) The last condition (4) should be condition (5).
